

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

I don't want mega-corporations to control everything. It is bad enough that the same companies can now own both newspapers and TV stations. Please do not eliminate the cable ownership cap.
